

December 20, 2006

Dear Lincoln School Parents:

This letter is to inform you about the Prepaid Milk program, through which milk can be purchased for half of the year in advance. The second half of the year for this program begins on Thursday, February 1st. This is a prepaid program, which continues for the remainder of the year. Your child will receive their choice of beverage daily.

Of course, children who wish to bring their own lunches from home and purchase milk (or juice) at school on a daily basis may do so; the price for each beverage is the same under either program, \$.60. The prepaid program avoids the problem of daily cash payments.

MILK

The cost for the period from February 1st through June 15th, 2007 (the remaining 72 days of school) will be \$43.20 per child for students in grades 1-8. Please make checks payable to the **Town of Lincoln**. You may send this order form and the check with your child to give to the teacher. **The deadline to order the pre-paid milk for the second half of the year is Monday, January 29th.**

The selections for your child are listed below. Please return this completed form and payment to the teachers in January before the deadline of January 28th. If you have any questions, please call Cathleen Higgins at the Food Services office at 781-259-9400 x5106.
