School Building Advisory Committee Meeting
Wednesday, August 21, 2013
7:30 p.m.
Hartwell Multipurpose Room

Agenda

1. Approval of the minutes of the 8/14/13 meeting. (*SBAC members please note this addition to the agenda for the 8/21/13 meeting. This will be taken care of before we break into the sub-groups.*)
2. There will then be separate working sessions of the two sub-groups of the Committee for the purpose of planning for the September 11, 2013 charette. Although the SBAC charette is open to the public and the public is welcome, this is not a town-wide charette like the ones held earlier in the year. The purpose of this charette is to provide the Committee, as part of its planning and deliberative process, with the opportunity to further develop, sharpen and test its ideas about possible “pathways.”
