School Building Advisory Committee Meeting
Tuesday, September 30, 2014
7:00 p.m. – 9:00 p.m.
Hartwell Multipurpose Room

Agenda

Members of the Lincoln Town Boards and Commissions, along with all community members are invited to attend the SBAC meeting with Dore & Whittier Architects.

1. The team from Dore & Whittier Architects will provide an update on the September 16th SBAC Public Forum and will share the input received from participants of the forum.
2. Responding to input from the September Public Forum, Superintendent Becky McFall will present on the educational vision of the Lincoln Public Schools and the relation of this vision to a school building project. The purpose of this presentation is to solicit feedback from attendees regarding the needs of the community related to the educational vision and to gather input about communicating the educational vision in the next Public Forum on October 16th.
