March 1, 2022

Greetings Lincoln Preschool at Hanscom Parents and Caregivers,

I am so excited to meet the newest members of our Hanscom Primary School family! The kindergarteners who begin their elementary school journey in 2022-2023 will graduate from high school in 2034-2035. That alone is unbelievable; think of all they will accomplish during that time! Kindergarten is a year filled with so many exciting first experiences. We look forward to sharing this special year with you and your child.

We are officially kicking off our registration process this month. As your child is already enrolled in the Lincoln Preschool at Hanscom, you will not need to register. We kindly ask that you visit the following link to electronically fill out the intent to enroll form by March 18. This will add you to our mailing list so that you receive emails and news about upcoming kindergarten events.

<https://tinyurl.com/HPSKindergarten2022>

I encourage you to visit our blog to stay up to date on all things HPS. You can also subscribe to the blog by scrolling to the bottom of the home page and clicking 'subscribe.' This will send you an email each time the blog is updated.

As this school year progresses, plans will be solidified about how our kindergarten events will be able to take place in a COVID19 safe way. Stay tuned for more information regarding summer play dates, opportunities to tour the school, family orientation, and screening for our kindergarteners.

Again, we look forward to welcoming your kindergartener to the Hanscom Primary School Family! Should you have any questions, concerns or some positive feedback to share, please do not hesitate to call or email me. Thank you for partnering with us to educate the next generation of leaders.

Warm Regards,

Julie A. Vincentsen
Principal
