WHAT WE DO

THE LINCOLN SCHOOL FOUNDATION (LSF) ENABLES EDUCATORS TO REACH BEYOND TRADITIONAL TECHNIQUES, PRIORITIZE CREATIVITY, AND ENGAGE STUDENTS IN AUTHENTIC WAYS. LSF FUNDS THESE TEACHER INITIATED PROJECTS THROUGH GRANTS. LAST YEAR, LSF ALLOCATED MORE THAN \$17,000 TO SUPPORT THE EDUCATIONAL DEVELOPMENT OF STUDENTS ON BOTH LINCOLN AND HANSCOM CAMPUSES, FUNDING GRANTS IN MATH, ART, SOCIAL STUDIES, SCIENCE, AND WELLNESS. ALL OF THIS THANKS TO GENEROUS COMMUNITY DONATIONS!

RECENTLY FUNDED GRANTS

The Lincoln 4th Grade team created a hands-on learning experience for students to understand how artifacts are used to learn about the past. Each class participated in an Archaeological Dig run by an expert in the field.

Lincoln K-8 established a composting program to reduce trash, and collect unopened food to be donated to the Lincoln Food Pantry. This is the first step in the School establishing a long-term recycling/composting program.

The Lincoln 7th grade team cemented an on-site outdoor education "retreat." LSF funded the Wampanoag Nation Dancers, a foraging consultant, and world language training in this expanded event.
