

The background is a light blue grid with a collage of various mathematical symbols and geometric shapes. These include numbers like 8, 6, 7, 9, 2, 0, 1, 3, and infinity; symbols like less than, greater than, not equal, percent, sigma, and divide; and geometric shapes like triangles, squares, circles, cylinders, and a sphere. Some shapes are labeled with letters like A, B, C, a, b, c.

Lincoln School K-4 MATH NIGHT

**Explore games
from our
curriculum!**

**Kids will
be the
teachers!**

**See how math
connects to
our special
subjects!**

**Thursday, April 17, 2025
Lincoln School Dining & Learning
Commons
6:00-7:00 pm**
