

The background is a light blue grid with a collage of various mathematical symbols and geometric shapes. These include numbers like 8, 6, 7, 9, 2, 1, 0, 3, and infinity; symbols like less than, greater than, not equal, percent, divide, and sum; and geometric shapes like triangles, squares, circles, cylinders, and cones. Some shapes are labeled with letters like A, B, C, a, b, c.

Lincoln School K-4 MATH NIGHT

Explore games
from our
curriculum!

Kids will
be the
teachers!

See how math
connects to
our special
subjects!
