METCO

In 1966, the first 220 students, aged 5 to 16, rode buses from Boston neighborhoods to schools in seven suburbs: **Arlington, Braintree, Brookline, Lexington, Lincoln**, Newton, and Wellesley. The 22-23 academic school year will mark the 56th year of the Town of Lincoln's participation in the METCO Program.

The Lincoln METCO Program is comprised of families from diverse ethnic, cultural, religious, and socio-economic backgrounds with a range of educational strengths and needs.
