SUPERINTENDENT'S BULLETIN

The Superintendent's Bulletin is posted on the Lincoln Public School website each Wednesday. It provides timely, relevant information about meetings, professional development opportunities, curriculum and program development, grant awards, and School Committee news.

Dear Lincoln Community,

The School Committee will be voting to approve the 2017 – 2018 School Year Calendar at their meeting tomorrow night, January 19th. If you have any input you would like the School Committee to receive, please send a message to schoolcomm@lincnet.org or bmcfall@lincnet.org by Thursday at noon or attend the meeting on the 19th at 7pm in the Hartwell Multipurpose Room.

By contract, the Lincoln Teacher's Association (LTA) votes on whether or not the faculty will begin work prior to Labor Day. This includes the two days before students begin school that are teacher preparation/professional development days.

The School Committee was provided with four versions of calendars for review that included options for beginning before and after Labor Day. This year, the LTA has voted not to return to work prior to Labor Day. Therefore, the School Committee will only be voting on two calendar versions, one that was provided in December and a revised calendar that moves the New Faculty Orientation Days before Labor Day but keeps all faculty returning after Labor Day. These two calendar versions, Versions 3 and 4, are enclosed for your review on pages 2 and 3.

Version 3

New faculty report on September 5 and 6

All faculty report on September 7 and 8

Students in Grade 1-8 begin Monday, September 11

Students preK and K begin on Tuesday, September 12

Last day of school with 5 snow days included is June 29 for students and July 2 for faculty

Version 4

New faculty report on August 30 and 31

All faculty report on September 5 and 6

Students in Grade 1-8 begin Thursday, September 7

Students preK and K begin on Friday, September 8

Last day of school with 5 snow days included is June 27 for students and June 28 for faculty

Again, if you have any input for the School Committee, please send a message to schoolcomm@lincnet.org or bmcfall@lincnet.org.

All the best,

Becky

News and Information

To share information with your colleagues, please email Janice Gross at jgross@lincnet.org

We extend condolences to our colleague Brian Garside, Social Worker at Lincoln School K-4, on the loss of his mother.

GREAT LEARNING

Kristen St. George, Interim Principal, Hanscom Primary School

Third graders recently completed an EiE unit entitled, "To Get to the Other Side: Designing Bridges." Students explored science topics of force, balance, and stability: the designs of bridges and civil engineering. Students applied what they learned during the unit and the Engineering Design Process to design a strong, stable bridge. We ended the unit by having students explain what they learned using Google Drive which is a new technology initiative for third graders.

Lincoln/METCO Community Book Discussion

An invitation to join the National Conversation on Race:

Please join us on the Lincoln campus to discuss the Book : Between the world and Me by Ta-Nehisi Coates

In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden?

Between the World and Me is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world

through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward. ### SPRING TEACHER WORKSHOPS

#### **Opening Ideas: Exercises in Creativity to Foster Innovative Thinking** **Friday, March 10, 8:30 am – 3:00 pm**

Biennial artist Fritz Horstman, who is also education coordinator at the Josef and Anni Albers Foundation in Connecticut, invites us to explore art and creativity through drawing, color, and movement exercises in the studio and Sculpture Park. Designed for teachers of all grade levels who will bring something concrete to take back to the classroom in addition to personal artistic inspiration and insights. PDPs available. For detailed course and registration information, go <https://edco.gosignmeup.com/public/Course/browse?courseid=2680>.

#### **Reading the Landscape: An Interdisciplinary Exploration through Art, Literature, History, and Science** **Saturday, April 1, 8:30 am–3:30 pm**

Immerse yourself in an energizing day of art, nature, literature, and local history with deCordova and the Walden Woods Project. This workshop will take place at both locations and focus on developing a lesson plan using your local landscape to connect with your curriculum in all disciplines and grade levels. PDPs and graduate credit available. For detailed course and registration information, go to <https://edco.gosignmeup.com/public/Course/browse?courseid=2680>.

### **deCordova New England Biennial 2016**

#### **October 7, 2016 – March 26, 2017**

Our signature exhibition brings together paintings, children's book illustrations, photographs, puppets, sculpture, poetry, site-specific installations, and video by sixteen New England artists ranging in age from their 20s to their 90s. A visit offers your students an exciting variety of artistic mediums and topics to learn about and be inspired by – and connect to a variety of curriculum areas.

### Ron Suskind, featured Keynote Speaker

Ron Suskind is one of our most treasured journalists and authors. He is the author of six best-selling books, the most recent of which — *Life, Animated, A Story of Sidekicks, Heroes and Autism* — documents his family's two-decade struggle with regressive autism. Using a technique called Affinity Therapy, the book recounts how the Suskinds broke through to their autistic son Owen by exposing him to Disney movies, which Owen memorized and used as a pathway to communication. Mr. Suskind is also a recipient of the Pulitzer Prize for his 1995 stories in *The Wall Street Journal* about inner-city honor students in Washington, D.C., and their determination to survive and prosper. A speaker who NPR hails as "a master storyteller with the lyricism of a poet," Mr. Suskind has also been a featured guest on CBS's *60 Minutes*, *Sunday Morning*; *The Colbert Report*; *The Daily Show with Jon Stewart*; NBC's *Today Show*, *Nightly News*; ABC's *World News Tonight*, *GMA*, *Nightline*; and *Charlie Rose*.

### Diving into the 2016 SCIENCE AND TECHNOLOGY/ENGINEERING STANDARDS:

### What Do They Look Like in the Classroom?

**February 11, March 4 & 18, 2017**  
**(Snow Date: March 25, 2017)**  
**9:00 a.m - 1:00 p.m.**

This three day institute is designed to increase teachers' understanding about the shifts in the 2016 Massachusetts Science and Technology/Engineering Standards, particularly the integration of the Science and Engineering Practices with Science content. During this interactive institute teachers will collaborate, discuss, and engage with learning experiences that promote the vision of the 2016 STE framework. Teachers will leave the institute feeling more confident with instructional strategies that address the rigor and relevance of the 2016 STE standards.

The institute will include:

- Classroom videos to help teachers visualize what the science practices might look like in action
- Interactive activities that highlight the practices within curriculum and instruction
- Science learning experiences in Life Science and Earth Science related to specific core ideas that build in a progression across grade levels and that encourage teachers to think deeply about how their own science instruction can help students to own the practices
- An opportunity to examine existing formative and/or performance-based assessments to assess student's understanding
- Reflection time for processing what you have learned

There will be time during the institute to work in grade span teams with teachers from other districts, and to work in district-only teams to discuss the transition and implementation of the 2016 STE standards across grade levels.

**Presenters:** Karen McCarthy, Elementary Science Specialist, Lexington Public Schools  
Susan Erickson, Elementary Science Specialist, Weston Public Schools  
Mairead Curtis, Science Specialist, Lincoln Public Schools  
Laura Rossier Grade 8 Science Teacher, Day Middle School, Newton  
Marianne Dunne, Science Specialist, MA Department of Elementary and Secondary Education

**Audience:** The target audience is K-8 teams of teachers and specialists.

**Fee/Stipend:** NO cost to attend; participants will receive a \$100 stipend

**Credit Option:** At the first class, participants may choose to register for 1 graduate credit through Worcester State University for an additional fee of \$125. All participants, including those who do not opt for graduate credit, will receive a certificate documenting the number of course hours attended.

**Location:** EDCO Collaborative, Bedford MA

**Registration:** EDCO members contact the office of Curriculum and Instruction in your district. Participants will receive confirmation details via email from EDCO once the course has been finalized.

**Register by:** *January 27, 2017. Registrations received after the deadline will be accepted if space is available.*
