Very Important Points

1. Cut up a sticky note slip into 4 or 6 strips.
2. Read your book or text.
3. Every time you come to a sentence you think expresses a main idea, "highlight" it with a yellow sticky note strip.
4. If you change your mind, move the strip.
5. Work in small groups and then compare your main ideas with the main ideas your group members found.
6. Reduce your total number of sticky strips to 3.
