1. Vote members of the School Building Committee

7:00 – 9:00 p.m.

**3rd Annual
Strategic Priorities Community Forum**

The School Committee and School Administration invite parents, faculty, and community members to provide input into developing the district's 2017-2018 Strategic Priorities.

Agenda:

- Overview of District Vision and Strategic Plan
- Faculty presentations of current classroom practices that represent our district priorities
- Community conversation about hopes, expectations, and priorities for the district to consider for the coming year

Each year, the School Administration and the School Committee collaborate on the development of the District Strategic Plan. This process includes the gathering of input from stakeholder groups, review of the district's progress toward achieving current goals, and discussion of appropriate next steps in order to move forward toward achieving the district's vision for education in the Lincoln Public Schools.

The district's current Strategic Priorities are focused on the delivery of curriculum and instruction that engages students at high levels and supports the academic, creative, social, and emotional development of all students. Through the collaborative work of educators, these goals are being met.

The School Committee and the School Administration invite all members of the community to join them on Thursday, April 27 from 7:00 p.m. – 9:00 p.m. in the Hartwell Multipurpose Room to hear more about the District Vision and Strategic Priorities and to share their input about where the district should focus its resources.
