PUBLIC'S RIGHT TO KNOW

The School Committee is a public servant, and its meetings and records will be a matter of public information except as such meetings and records pertain to individual personnel and other legally confidential matters.

The School Committee supports the right of the people to know about the programs and services of their schools and will make every effort to disseminate information. All requests for information will be responded to in compliance with Massachusetts law.

All commonly available public record documents of the School District shall be posted on the district's website. The length of time such records shall remain posted on the district website shall be in accordance with the Municipal Record Retention Manual. In addition, the official minutes of the Committee, its policies and regulations, and its financial records will be kept by the office of the Superintendent (or assigned administrator). In response to a public records request, the Superintendent (or designee) shall permit inspection or provide a copy of such public record, subject to the provisions of Massachusetts law. No records pertaining to individual students or staff members will be released to the public or any unauthorized persons by the Superintendent or other persons responsible for the custody of confidential files. The exception to this will be information about an individual employee (or student) that has been authorized in writing for release by the employee (or student, or student's parent/guardian).

Each building administrator is authorized to use all means available to keep parents/guardians and others in the particular school's community informed about the school's program and activities.
