RELATIONS WITH LOCAL GOVERNMENTAL AUTHORITIES

The School Committee and its administrative officers welcome all who seek to serve the residents of the community and will participate with them in the planning and execution of such projects as will be mutually beneficial for students.

It is School Committee policy that administration inform elected and appointed officials of the local and county government of the desire to work cooperatively for improved services.

The Superintendent or designee will keep the School Committee informed of planning matters bearing directly on the operation of District schools or school-sponsored programs, and will undertake action on behalf of the School Committee to influence matters in the best interests of the students, the schools and the District.
