Dear Parry,

Thank you for applying for a METCO REI Implementation grant to support METCO 2.0 initiatives in your district. These grants were made possible by the state of Massachusetts specifically earmarked to advance racial equity work in METCO districts.

We have reviewed your proposal and are happy to announce that your request has been accepted for the amount of **\$15,000**.

**As you carefully read through the following grant agreements, please let us know if you have any questions at all. As a METCO REI grant recipient, you agreed to the following requirements as part of your proposal:**

Grant period compliance:

- I will submit this [Payment Form](#) upon receipt of this email. (This tells us where to send your grant funds.)
- I will begin planning and secure any consultant bookings *prior to* December 31, 2024.
- I will submit all invoices to any relevant consultants *prior to* December 31, 2024.

Other commitments:

- I will share the [METCO 2.0 Landing Page](#) with my chosen consultant/vendor, and ask them to review the video, the Antiracism Road Map, and Blueprint, which will provide context for the overall work.
- I will complete grant reports in a timely manner when they are sent to me by HQ once my program has been completed.
- If invited, I commit to joining a community of practice where I will share the impact and results of my work, which will be useful to others working in the same area. This could either be participation in a panel discussion on Zoom, or the sharing of my individual district's story or practices in

another HQ-approved format.

- I will invite METCO HQ to appropriate events or meetings related to the outcomes of this grant.
- I will share any final documents that were created as a result of this work, including reports, evaluations, academic pre/post tests, racial equity resources, etc.
- I will include mention of the partnership with METCO HQ in any and all promotional materials.

### Notes:

- **Any changes in funds use must be pre-approved. Failure to do so may result in the withholding of future grant funding. Please use this [Amendment Form](#) to request any changes.**
- **Unused grant funds must be returned to METCO HQ.**

*Please respond to this email agreeing to the above terms, and please let us know if you have any questions at all.*

Congratulations! We look forward to hearing about your important work.

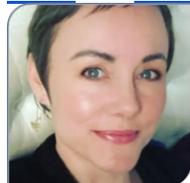

Sincerely,

Berkeley, Kristen, and Milly
