RE: September Enrollment Date: September 6, 2013

A summary of enrollment on September 4, 2013 is attached. We are aware of several families in transition that will be joining the Lincoln Public Schools in the near future. In line with state guidelines, an official reporting of October 1, 2013 enrollment will be provided at the October 10, 2013 School Committee meeting.

Based on our Day 1 enrollment, our total student enrollment on the Lincoln campus, K-8 is relatively stable with enrollment decreasing by 4 students compared to September 2012. On the Hanscom campus, K-8 enrollment has increased by 23 students over September 2012. Preschool total enrollment is at 136 students compared to 134 students in September 2012.

To illustrate the rate of turnover on the Hanscom campus, HPS enrollment increased by 14 students as compared to September 2012. However, enrollments of 73 new students took place this summer. Hanscom Middle School has also experienced a high level of turnover.
