Boardwalk from the
School side

Boardwalk from Sandy Pond Road

- Seasonal mud pit and still soft during summer
- Appears to be a thoroughfare for bicyclists and others to get to the School

Proposed Extension

Current boardwalk

Proposal: Boardwalk Extension

- Trail and boardwalk maintained by Conservation staff, is on School land
- Current boardwalk is 120-ft in length
- 100-ft extension proposed
- Would be installed with L-S seniors on Senior Service Day

Conservation staff to cut wood
in advance

Will meet L-S seniors in the
Brooks parking lot

Seniors will be tasked with
carrying wood to the boardwalk
and assembling new sections
with staff.

Conservation staff and former
ConCom chair Peter von
Mertens will be project leads

Bog Bridges

Any extra time
on Senior
Service Day
would be used
to remove
loose stones on
the trail to
increase safety
