**VOTE to:**

---

**BACKGROUND:**

In the event that the Lincoln-side budget has funds remaining at the end of the FY25 school year, the Committee may wish to allocate some of those funds for out-of-district tuition prepayments, as authorized by MGL c. 71, Section 71D.

Administrator for Business and Finance Angela Wang will discuss the possibility of tuition prepayments. Any potential action or vote could be scheduled for a future meeting.
