

Lincoln School 5-8

Strategic Priority End of Year Report

June 2, 2022

Goal 1: Sense of Belonging - If we build a culture in which our students, faculty, and families have a strong sense of belonging, and common stewardship of our space then our healthy community will be apparent.

Student Voice and participation:

- LSF Great Create - opportunity for 8th grade volunteers
- High School Musical Jr
- Volleyball
- Student council all school Capture the Flag game
- SAGA - Pride event - student planned and to be executed June 8

Volunteering, volleyball, High School Musical Jr

LSF Great Create

High School Musical Jr.

First ever School Volleyball team

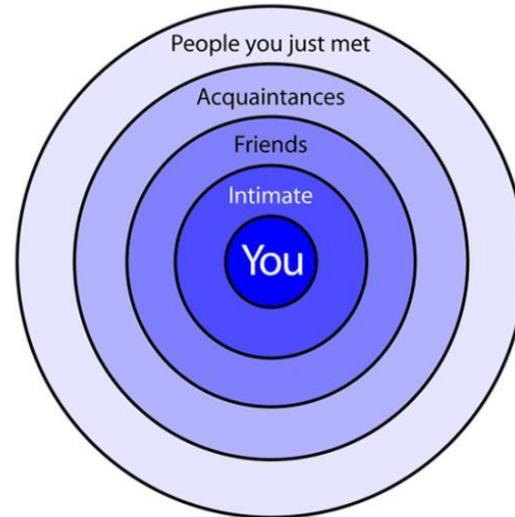

Sense of Belonging- Adults and our school community

- Adult work about how to respond to things that happen in our school
- A learning opportunity with Mark Liddell after the n word was written
- Teachers planning together a series of lessons about language to follow up and

The Pledge

I AM DEDICATED TO KEEPING EVERYONE SAFE.
I RESPECT MYSELF AND OTHERS, BECAUSE WE MATTER.
I DISLIKE WHEN OTHERS ARE BEING MISTREATED.
THIS IS A SLUR FREE ZONE.
THIS MEANS WE DO NOT USE HATE SPEECH HERE.

What types of things can you say in your different circles?

Sense of Belonging - what's next

- Returning to our 5-8 structure of shared lunch time which allows for:
 - Mentoring
 - SAGA across all grades
 - Student council across all grades
 - Clubs
- Bringing families back into the building to re-build our shared school community
- Continuing to look for the opportunities to be a 5-8 building where students know each other across grade levels

Goal 2: Teaching and Learning: If faculty are clear about the purpose for learning and the essential question being explored, then deeper learning will occur in more classrooms on a daily basis

- Collaborative practices
- 8th grade projects -
 - Creating an inclusive piece of art
 - Creating a school garden
 - Placing a Tribal Land Acknowledgement
- Place based learning - a return to field trips

Place Based Learning- DeCordova, Mission to Mars

Teaching and Learning - what's next

- Using the hub spaces for learning across disciplines
- Re-visiting what we learned in 2020-2021 about how subjects interact across disciplines
- Getting back to learning walks and including students in those
