Re: Meeting dates for SY 2010-2011

Each spring the School Committee establishes meeting dates for the upcoming school year. Traditionally, the Committee has met two times per month during the school year with periodic meetings in the summer, if necessary. The Committee has not taken significant votes or actions during the summer when many parents are out of Town.

Following our recent workshop on district goals and considering the work on our agenda for next year, I am proposing that we schedule the following meetings. The meeting schedule shifts around school vacations but maintains the two meeting per month schedule. The Committee maintains the flexibility to schedule a special meeting should the need arise, which it sometimes does during the budget deliberations or as it may with regard to school building initiatives.

The School Committee has traditionally met on Thursday and I have followed that pattern when identifying dates for next year.
