**Fees**

Fees are charged for athletics for Lincoln students and music lessons for Hanscom and Lincoln students.

Athletic Fees

For each student on the Lincoln campus a fee of \$175 is charged to the family. This is a reduction from \$200 in the 2011-2012 school year. On the Hanscom Campus the fees are covered through the contract with the Department of Defense. Financial assistance is available to Lincoln families through a confidential application process and may result in a reduction or complete coverage of the fees. Nine Lincoln athletes benefitted from this opportunity and some of the students were able to play 2 sports.

Music Fees

Music fees are the same amount on both campuses. Families pay a \$30 registration fee for each child participating in the After School Music Program. There were two students who benefitted from financial support to rent an instrument.

Private Lesson Fees are the following:

- 33 lessons @ 30 minutes is \$866.25 (based on \$26.25 per lesson)
- 33 lessons @ 45 minutes is \$1300.20 (based on \$39.40 per lesson)
- 33 lessons @ 60 minutes is \$1732.50 (based on \$52.50 per lesson)

Hanscom children may also participate in beginner group lessons. Other than the \$30 Program Registration Fee and any instrument rental fees, there is no charge for these sessions. Students who have already taken advantage of our beginner group lessons are expected to move on to private lessons after one year.

Drama Performance Fees

The Lincoln Public Schools does not collect participation fees for students to be part of the drama productions. Tickets are sold for the shows and these funds are used to offset the cost of production.
