

Dear L114 Spellers and Parents,

Oct. 25, 2012

Here is a terrific new resource for you to help practice your spelling throughout the week. If you have access to a computer at home you can go to the website [www.SpellingCity.com](http://www.SpellingCity.com) and find your list of words for the week. There are so many ways to practice your words so explore and find out what you can do. Use the link below to locate my homepage and then click on the spelling list that matches your homework.

To get there, type in [www.SpellingCity.com](http://www.SpellingCity.com)

- Select the "Find A List" option and enter in my last name, **Dwyer**. This will bring up a list of teachers.
- Scroll down the list until you see my full name, **Carolyn Dwyer, Lincoln School**.
- Click on my name to get to my home page.
- Scroll down to find your list for this week. You will need to know if your list is the Northeast, Southwest, Southeast, or Midwest. You can find this on the top of your spelling packet for the week. It will be lesson 5, Gr. 4. The words should match the list of words on your packet for the week.
- Please let me know if you have any trouble using this site or are unable, for whatever reason, to use it at home. Find the games that challenge you and make you more confident about your spelling for the week. Your new lists will be added each week so consider this resource as part of your work... **Thursday night practice sessions might be a smart idea since you have your test on Friday!**

Have fun!  
Sincerely,  
Mrs. Dwyer
