Re: DonorsChose.org

Date: September 15, 2014

Joshua Gold, grade 6/7 science teacher at Hanscom Middle School, recently earned funding from DonorsChose.org for a classroom project called "Stem Integration Into the Math Classroom." He was awarded the following items:

- MaKey Invention Kit – 2 @ \$49.95 each
- Arduino Uno Kit – 12 @ \$54.99 each

The School Committee is asked to approve the acceptance of these kits having a total value of \$ 759.78.

Thank you for your consideration.
