Athletic User Fees for Hanscom Campus

It is the policy of the Lincoln Public Schools that children participating in an after-school interscholastic athletic program at the Hanscom Middle School shall pay an athletic user as follows:

\$50 (this would apply for the first sport played, further participation would require a one time payment of an addition \$25 - a maximum amount of \$75 would be charged per athlete)

\$100 (maximum payment for any family with more than one child participating regardless of the number of children or the number of sports played)

No child will be denied access to an athletic team because of his/her inability to pay. In such cases, parents will be asked to submit a letter of financial hardship to the Superintendent of Schools and request a waiver of the fee.
