DRAFT
USE OF SCHOOL EQUIPMENT

School equipment will be available for use by staff and students on the campus to support educational and extracurricular activities. No fee or rental shall be charged a student for the use of a school-owned musical instrument, other equipment, or books and supplies, but the school principal may assess a charge in the event of damage to the equipment.

Community groups and other organizations that use the school facilities, as specified in Policy KFB, Use of School Buildings, may use the furniture and other basic equipment in the spaces to which they have been granted access. The use of computing and audiovisual equipment in the school buildings by the community groups and other organizations will be allowed at the discretion of the Superintendent, and the Superintendent may levy fees and require deposits for the use of such equipment.

The School Committee wishes to be of assistance, whenever possible, to other town departments. Therefore, permission to use school equipment by other town departments outside of the school grounds may be granted by the Superintendent or designees upon request by the those departments. Additionally, the Superintendent or designees may grant permission for the use of school equipment outside of school grounds to support educational and extracurricular activities by students of the Lincoln Public Schools. Otherwise, the use of school equipment outside of the school grounds is not allowed.

USE OF SCHOOL EQUIPMENT

School equipment may be loaned, in compliance with the rules and regulations, to eligible community groups for worthy educational, civic, or charitable purposes.

No fee or rental shall be charged a student for the use of a school-owned musical instrument, other equipment, or books and supplies. A refundable deposit shall be levied against a student who is using a school instrument or other equipment on a loan basis, but not for books and supplies. The amount shall be determined by the Superintendent.

A charge, determined by the Principal, shall be assessed against any borrower in the case of damage to, or loss of, the instrument or equipment.
