

# Lincoln Preschool Hanscom Campus

## 2019

**LEARNING TARGETS:** Our goal at the Lincoln Preschool is to empower children by identifying the learning targets and having the children take leadership roles in their learning process. “I can” statements are modeled and used throughout the school day.

\*I can follow class routines \*I can use my peers’ names \* I can ask a friend to play

The children are learning classroom routines and their peers’ names as well as the expectations of school. Each day their confidence will build, and they will establish the routines with growing independence. (Target 1). Some activities this month will include learning about peers and sharing about themselves including physical attributes such as eye and hair color, likes and dislikes, and favorite things to play. (Target 3). There will be name games to learn each other’s names, (Target 2) name recognition and writing names with various materials. We will also begin specials (art and music) next week, each teacher will send home a copy of your child’s special schedule. Let the fun begin!

### Gentle Reminders:

- Peanut / nut free snack and drink each day.
- Sunscreen is applied at home before school
- Folders go back and forth daily in your child’s backpack
- School starts at 8:00, teachers will open the door promptly at 8:00
- If someone new is picking up, a note and a form of ID

We would like to thank all the families for making the transition into the school year so smooth and successful! The teachers are here to work in a partnership with the families to make this a safe and nurturing learning environment. This is an amazing school and learning space; we are very lucky! You may see changes as we ourselves are learning what works best for the children. We will be utilizing the hub as a flexible learning space where children in all the classrooms will be working together at times in fun learning activities. We are all very excited and thankful for new school and all it has to offer!

\*Scholastic Book orders are due by September 16<sup>th</sup>.

\*We do not participate in the HPS picture day. Info will be sent home in October!
