

LINCOLN PRESCHOOL

Learning Targets

One of our goals here at the Lincoln Preschool is to empower children. We do this by identifying specific learning targets throughout the school year. Both individually and as a group we practice these learning targets in hopes that they become an essential part of our classroom environment. You will often hear your child talking about “I can...” statements that are modeled throughout the school day. Students take on leadership roles within their classroom environment and show excitement about the learning process.

September learning targets include:

- I can...say “hello” to a friend
- I can...follow the class routine
- I can...ask a friend to play.

During the first month of school, we focus on getting to know one another and establishing the routines of the classroom. An “All About Me” theme will be implemented throughout the month as students and teachers focus on the learning targets listed above. We will have fun as we share information about ourselves and learn about our peers.

Teachers are looking for a parent volunteer from each classroom to take out a variety of theme-based books from the library on a monthly basis for the classroom. Please let your child’s teacher know if you would like to take on this job.

Reminder:
Please send in an extra set of clothes to be kept in your child’s cubby
