

January 2020

Happy New Year and welcome back! We hope you enjoyed time with family and friends as well as a healthy and restful vacation! It was great to see how excited the students were to return to school and see their teachers and friends! We are proud of how well they transitioned back into our classroom routine and schedule.

This month we will be focusing on the themes of snow/snowmen, winter and clothing. Activities will be in alignment with pieces of literature such as *Snowmen at Night* and *Froggy Gets Dressed*. The children will be working on retelling, predicting and sequencing events, sorting by attributes (size, color, shape) and will continue to develop our social skills to be a good friend.

Our learning targets will continue to include social emotional as our primary focus.

- Sharing.
- Requesting/relinquishing toys,
- Asking for help
- Working independently

If you walk to school and your child wears snow boots, please send in change of shoes for your child to wear in the classroom. Thank you!

☺ Please notify (by email or phone call) your child's teacher when your child will be absent or if someone new will be picking your child up. We cannot release any student to someone who is not listed on your child's pick up list. Thank you!

*Please email your child's teacher if any contact information has changed (phone numbers, work numbers etc.)

*The Lincoln Preschool at Hanscom follows the Lincoln Public Schools for delays and cancellations due to weather. Please check the local news channels or the Lincoln Public Schools website at www.lincnet.org for updates.
