

Lincoln Preschool
School Improvement Plan
2018-2019

Develop and deepen instructional practices and strategies that lead to engagement and high-quality learning that supports the academic and social emotional development of all learners, while recognizing students' identities, voices, and individual needs (C1)

- Complete a comprehensive review process in order to recommend a model that best meets the needs of the preschool population utilizing the new preschool neighborhood at Hanscom Primary School
- Support the consistent use of strategies, between home and school to address the social and emotional development of students
- Support English Learners (EL) in the preschool through the use of instructional practices and strategies designed to support second language learners
