

VISION

The Lincoln Public Schools instill in our students the joy of learning, provide them the tools to play constructive, compassionate roles in society, and give them the very best preparation for high school.

MISSION

The mission of the Lincoln Public schools is to unite our communities in challenging and equipping students to:

- acquire essential knowledge and skills
- think critically and independently
- exhibit academic excellence
- appreciate and respect diversity
- demonstrate creativity
- value reflection
- work hard and play fair
