# 2021-2022 Partial List of Religious and Cultural Observances

(Occurring during the Academic Year)

The Lincoln Public Schools District is a culturally and religiously diverse community. While the schools are not closed on all religious holidays, it is the intention of the District to respect religious and cultural days that are significant to the students, families, and staff. The following list, although not exhaustive, includes many holidays that may require a student to be absent from school. Students who miss schoolwork because of an excused absence, including absence(s) for religious observance, should not be expected to complete homework, study for tests, or do other schoolwork during their absence(s). They shall be given the opportunity to complete assignments and tests within a reasonable time, based on the circumstances. These absences should be managed in the same manner as absences for other excused reasons, including informing the school of the absence, talking with teachers about the absence(s) and missed work, etc. (Ref: [Policy IMDB](#), *Accommodations for Religious and Cultural Observances*).

Please contact the Lincoln Public Schools with information about any religious day not listed below, for inclusion in future lists.

**ACCOMMODATIONS FOR RELIGIOUS AND CULTURAL OBSERVANCES**

A student may not be penalized for his/her observance of a religious holiday. Any student who is absent because of religious or cultural observances shall have that absence excused and shall be provided the time and the opportunity to make up missed work, activities, and/or assessments. It is expected that students will meet with their teacher(s) in advance of a planned absence or at least upon the first day of their return to agree mutually upon a due date for missed work. In no case shall the timeframe to make up missed work be less than a week. Teachers will be responsible for providing students with missed materials relative to future assessment.

Similarly, families will be encouraged and invited to notify coaches, advisors, club leaders, etc. of student absences for religious or cultural observances. Students will not be penalized (e.g., held out of post absence participation) in their extra-curricular activities (e.g., sports, theater, clubs, etc.) for such absences.

Open and timely communication between students, families, and educators shall ensure that the opportunity to make up work does not place an unreasonable burden upon any of the parties.
